

Karin Rosenblatt, Ph.D.

BUSINESS ADDRESS

Department of Kinesiology and Community Health
University of Illinois at Urbana-Champaign
127 Huff Hall
1206 South Fourth St.
Champaign IL 61820
Telephone: 217-244-8131
FAX: 217-333-2766
E-MAIL: krosenbl@illinois.edu

EDUCATION

PhD (1988), Epidemiology, - The Johns Hopkins University, Bloomberg School of Public Health, Baltimore MD

MPH (1977), Epidemiology - University of Michigan, School of Public Health, Ann Arbor MI

BA (1975), Biology - University of California at Santa Cruz, Santa Cruz CA

POST-DOCTORAL EXPERIENCE

Associate Professor (1997-present), Graduate Studies Coordinator (2000-2007), Community Health and Rehabilitation Concentration Coordinator (2004-present), Assistant Professor (1991-1997), Department of Kinesiology and Community Health, University of Illinois at Urbana-Champaign, Champaign IL

Associate Professor (1997-present), Assistant Professor (1994-1997), Department of Medical Information Sciences, School of Medicine, University of Illinois at Urbana-Champaign, Champaign IL [zero-time]

Visiting Scientist, Program in Epidemiology, Fred Hutchinson Cancer Research Center, Seattle WA (1999-2000)

Visiting Scholar, Epidemiology Department, School of Public Health and Community Medicine, University of Washington, Seattle WA (1999-2000)

Assistant Professor, Division of Epidemiology and Biostatistics, School of Public Health, University of Illinois at Chicago, Chicago IL (1993-present) [non-salaried]

Karin Rosenblatt, Ph.D.

Clinical Assistant Professor, Department of Epidemiology, School of Public Health and Community Medicine, University of Washington, Seattle WA (1989-1991)

Staff Scientist, Division of Public Health Sciences, Fred Hutchinson Cancer Research Center, Seattle WA (1989-1991)

Post Doctoral Fellow, Department of Epidemiology, School of Public Health and Community Medicine, University of Washington, Seattle WA (1987-89)

PRE-DOCTORAL EXPERIENCE

Teaching Assistant, The Johns Hopkins University, School of Hygiene and Public Health, Baltimore MD (1980-1987)

Epidemiologic Methods
Introduction to Computer Science
Statistical Methods in Epidemiology
Introduction to Biostatistics

Research Assistant, Division of Gynecologic Oncology, Department of Gynecology and Obstetrics, The Johns Hopkins Hospital, Baltimore MD (1982-85)

Research Assistant, Department of Biostatistics, The Johns Hopkins University, School of Hygiene and Public Health, Baltimore MD (1980-81)

Medical Statistician, Neuroepidemiology Section, National Institute of Neurologic and Communicative Disorders and Stroke, Bethesda MD (1979-80: Summer)

Staff Scientist, Clement Associates, Washington DC (1978)

Biomedical Analyst, Mason Research Institute, Rockville MD (1977)

FUNDED RESEARCH

Principal Investigator

Epidemiology of Ovarian Cancer (R01-CA-61093) - A five year case-control study which will investigate the etiology of ovarian cancer in Cook County, Illinois. Dates of award: 9/15/93 - 9/15/98 Direct costs: \$1,099,592 from the National Cancer Institute.

Karin Rosenblatt, Ph.D.

Co-Investigator

Contraceptive Use and Risk of Cancer in Shanghai (R03-CA-80637) – PI: David Thomas – A two year study to investigate the relationship between contraceptives and breast, ovarian, uterine corpus, uterine cervix, and liver cancer in a cohort of female textile workers in Shanghai, China. Dates of Award: 9/30/98-9/29/00
Total Award: \$166,851 from the National Cancer Institute.

Co-Investigator

Oncogenic Human Papillomaviruses and Prostate Cancer (R03-CA-92777) – PI: Janet Stanford – A two year study to investigate the relationship between evidence of HPV 16 and 18 infection (from blood specimens) and the risk of prostate cancer in a case-control study. Total award: \$153,970 from the National Cancer Institute

Co-Investigator and Epidemiologist

Development and Evaluation of Terrorism Tabletop Exercises for Rural Counties in Illinois- PI: Susan Farner – A project to develop a "tabletop" exercise for rural counties to facilitate community response to bioterrorism threats. Total award. \$96, 543 from the Illinois Department of Public Health.

Principal Investigator

Mammographic Densities: In the Pathway to Breast Cancer? (R03-CA105990-01A1) – A two year study to determine whether breast densities are in the pathway by which traditional risk factors increase the risk for breast cancer. Multivariate logistic regression and structural equation models will be used to assess the role of mammographic densities. Total Award: \$153,000 from the National Cancer Institute.

Principal Investigator

Cervical, Vaginal, and Vulvar Cancer: Effectiveness of Screening in the Elderly – A one year pilot study funded by the University of Illinois Research Board to investigate whether the SEER (Surveillance, Epidemiology, and End Results Registries)-Medicare database can be used in an R-01 grant to determine the efficacy and cost effectiveness of Pap smear screening and pelvic examinations in women age 65 and older. Total award: \$17,306 from the UIUC Campus Research Board

Co-Investigator and Epidemiologist

Karin Rosenblatt, Ph.D.

Development and Evaluation of Terrorism Tabletop Exercises for Illinois Counties-Specifically Exercising the Strategic National Stockpile. (IDPH 57101006). PI: Susan Farner. A project to develop a "table top" exercise to simulate use of the Strategic National Stockpile (pharmaceuticals and medical supplies in the event of a bioterrorism event. Total award: \$93,000 from the Illinois Department of Public Health

Co-Investigator

Feminine Hygiene Practices, Bacterial Vaginosis, and Sexually Transmitted Infections in US Women. (PI: Catlainn Sioanean). This is a project to determine the prevalence of feminine hygiene product use (and their correlates) and the relationship between feminine hygiene product use and the development of sexually transmitted infections. Dates of Award: 5/31/06-5/31/07. Total award: \$16,927 from the UIUC Campus Research Board. Received Arnold O. Beckman Award.

Principal Investigator

Cervical, Vaginal, and Vulvar Cancer – Effectiveness of Screening in the Elderly. A one year pilot study to continue analysis of the SEER-Medicare data, using a case-control design to determine whether screening Pap smears and pelvic examinations prevent invasive cervical, vaginal, and vulvar cancer in the elderly. Dates of Award: 12/15/06-12/14/07. Total award: \$7,265 from the Mary Jane Neer Fund, College of Applied Health Sciences.

Principal Investigator

Polybrominated Biphenyls and Cancer Risk (R-03CA1236232-01A1)
A two year study to investigate whether there are excess cancer risks for specific types of cancer in a cohort of over 4,000 residents of Michigan who were highly exposed to polybrominated biphenyls (a fire retardant) from accidental exposure in food in Michigan from 1973-74. In addition, two nested case control studies (on female breast and prostate cancer) are planned. Total Award: \$147,495 from the National Cancer Institute.

JOURNAL REVIEWS AND EDITORSHIPS

Associate Editor - American Journal of Epidemiology
Epidemiology
International Journal of Epidemiology
Cancer Causes and Control
International Journal of Cancer
European Journal of Cancer
Journal of Urology

Karin Rosenblatt, Ph.D.

Obstetrics and Gynecology
Cancer Epidemiology, Biomarkers, and Prevention
Journal of the National Cancer Institute

GRANT REVIEW

US Army: Ovarian Cancer Program: (1999, 2001)
NIH: Epidemiology and Disease Control 2: Ad Hoc (2000)
University of Illinois at Urbana-Champaign: Research Board: Ad Hoc (1996-present)
College of Applied Life Studies: Reviewer: Mary Jane Neer Grants (2001-2003, 2004-present)

TEACHING EXPERIENCE

CHLTH 274: Introduction to Epidemiology
CHLTH 421: Health Data Analysis
CHLTH 474: Principles of Epidemiology
CHLTH 479: Epidemiology Seminar
CHLTH 494B: Epidemiologic Methods
CHLTH 578: Applied Epidemiology

AWARDS

Alumna Inductee into Delta Omega Public Health Honorary Society (Alpha Chapter (Johns Hopkins))
3rd Place Prize for poster at the 2000 Society for Epidemiologic Research Meeting
1987-1989: National Cancer Institute Postdoctoral Traineeship Grant
1984-1987: National Cancer Institute Predoctoral Traineeship Grant
1978-1980: Public Health Service Traineeship
1975-1977: Public Health Service Traineeship
1975: Comprehensive Honors in Biology

MEMBERSHIPS, FELLOWSHIPS, AND ASSOCIATION SERVICE

Fellow, American College of Epidemiology
Society for Epidemiologic Research
American Public Health Association - Member Governing Council (1997-1999, 2002-2008), Epidemiology Section Representative
American Association for the Advancement of Science
American Association for Cancer Research

Karin Rosenblatt, Ph.D.

COMMITTEE MEMBERSHIP

College Elections and Credentials Committee (1992-1993, 1997-1999 -
2005-present, Member, 1993-1994 Chair, 2005-2006)
College Executive Committee (2000-2001)
College Educational Policy Committee (2004-2006)
College Alleged Capricious Grading Committee (2001-2004, 2005-2007
[alternate])
College Applied Information Technologies Committee (1997-1998)
College Search Committee for the Initiatives on Aging and Disability (2004-2005)
Departmental Admissions Committee (2001-present)
Departmental Curriculum Committee (1991-1994, 1995, 1997-2000)
Departmental Educational Policy Committee (2004-2005, 2006-pres.)
Departmental Advisory Committee (1993-1995, 2000-present)
Departmental Search Committee (1995, 1996, 2000-present, head 2004-2006,
member 2006-pres.)
Departmental Doctoral Written Examination Committee (1994-1999, 2001-
present)
Departmental Reaccreditation Committee (2008-present)

COMPUTER SOFTWARE EXPERIENCE

SAS, SPSS, STATA, EGRET, LOGEXACT, FORTRAN, MICROSOFT OFFICE
